COMMANDER'S MESSAGE

WINDJAMMER
MAY/JUNE
2023

Lets start off with an old Polish saying: "Nothing too GOOD or too BAD lasts too LONG".

With that in mind, as of the next Post meeting in May, my term / terms as your Commander will come to an end. Trust me these past years (2003 thru 2011 then 2018 thru 2023) have been by far the best, and most productive years of my life. I have been very,

very proud to have held this position. Now it's time for a new Commander to take over.

At the last post meeting in April, Chuck Turben was nominated as your next Post #9 Commander. Please give him all the respect that you have given me all these years.

"Nothing too good lasts too long". **I thank all of you from the bottom of my heart for your long time support.**

You may have noticed the work on the new pergola on the patio has started. The next step is staining and applying the roof slats. There will be a lot of staining to be done. If you can find some time in the next week, come on down. Three of your Post / Auxiliary members have donated funding for this project. I thank you Gerry Koch, Tim Reed and Bonnie Swenson. Our goal is to make your Post and its' surroundings as pleasing as possible. Thank you goes out to the individuals who assisted me in the construction, Rusty Gibbons, Ric Banicki, and Tim Reed. I could not have done it without your help.

In closing, for the last time, **THANK YOU ALL** for the wonderful years you let me serve as your Commander!

BAR REPORT
From your Post 9 Facilities Manager

**AMERICAN LEGION POST 9
BAR REPORT
MAY/JUNE 2023**

Hello spring and summer!!! I hope everyone is doing well and enjoying the weather!! How can it be May and June already?!

In April we put together a legion bus trip that we went to four different legions. It was a huge success and was so much fun! I want to thank everyone who made the trip, and we will be planning another trip come this fall. We are going to try and stay in Minnesota this time. In April we went to Holmen, Onalaska, Lacrosse, and Houston American Legions. So, keep in mind for this fall if this would be something you would be interested in. I will have a sign up like I did this last one.

Looking forward the hall is pretty booked so there will be a lot of events happening at the legion. Shakespeare is also arriving in May! We always have a warm welcome for them and grateful for them to come in during the summer.

I would like to send out a friendly reminder that we DO NOT want outside food coming into the bar and using bar supplies for your things. The supplies bought for the bar are for the bar products. For example, the paper boats are for the popcorn that is donated to the club. Please respect the business aspect of supplies.

May brings Mother's Day and I would like to say Happy Mother's Day to all of the wonderful mothers!

June brings Father's Day and I would like to say Happy Father's Day to all the wonderful fathers!!!

Please refer to the calendar at the legion for updates and changes to the calendar as we all know it changes daily.

If you haven't noticed yet the pergola has been started and will be ready to go for our warmer weather!!! A huge thanks to the special ones that have donated for this project to come together!! Also a huge thank you to those putting in the blood sweat and tears to get all completed!!!!

Have a wonderful spring and summer!!!!

Greg Lemmer
SAL Squadron

Hello Legion Family,

Greetings from your local SAL, hoping everyone is staying safe, healthy and dry. It has been quite the introduction to spring.

Armed Forces Day on May 20th is a very important day in the United States. It is a day dedicated to paying tribute to men and women who currently serve in all branches the United States' armed forces.

Equally important is Memorial Day on May 29th a day on which those who died in active military service are remembered.

Please remember these important dates, and honor those who served or are currently serving.

Fish Fry, Basket Night, Broasted Chicken and Taco Night have all ended for the summer. That being the case I want to take this time to thank all the wonderful food prep staff, kitchen staff, servers, and cashiers for all the time volunteered to ensure we are able to hold these wonderful events. Thanks of course to all the wonderful customers at all these events.

Happy Mother's Day to all Mothers on May 14th.

Be sure to review the calendar in your Windjammer and the board at the Legion for upcoming events. Remember by patronizing your Legion you are also supporting the Veterans, the Legion, and the Legion Family members. Your Legion is something to be proud of.

Please take the time to thank a Veteran or active military member. They deserve our Thank You each and every day. Please remember you have your freedoms and right to vote because of them.

In closing I wish you all the best. God Bless our Troops past and present and God Bless America.

Respectfully Yours,
Greg Lemmer
SAL Squadron Commander

WHAT IS THE FORTY AND EIGHT?

La Société des Quarante Hommes et Huit Chevaux (The Society of Forty Men and Eight Horses), is an independent, invitation only, honor society of American veterans and service members; more commonly known as **The Forty and Eight**.

The Forty and Eight is committed to charitable and patriotic aims. Our purpose is to uphold and defend the Constitution of the United States, to promote the well-being of veterans, their widows, widowers and orphans, and to actively participate in selected charitable endeavors, which include programs that promote child welfare and nurses training.

The titles and symbols of The Forty and Eight are derived from the experiences of U.S. troops during World War I. American soldiers were transported to the front on the French rail system. Cramped into narrow gauge boxcars, each stenciled with "40 Hommes/8 Chevaux", denoting its capacity to hold either 40 men or 8 horses. This uncomfortable mode of transportation was familiar common experience to all who that fought in the trenches; a mutual small misery among American soldiers. Thereafter, they found "40/8" a lighthearted symbol of the deeper service, unspoken horrors and shared sacrifice that bind all who have endured combat.

The Forty & Eight was founded in 1920 by American veterans returning from France. Originally an arm of The American Legion, the Forty & Eight became an independent and separately incorporated veteran's organization in 1960. Membership is by invitation of honorably discharged veterans and honorably serving members of the United States Armed Forces.

For more information about our community programs please go to our national web site 40 and 8. If you are a Veteran and would like to be a part of the fun and honor society of Veterans please email _____ and meet with us.

AMERICAN LEGION POST 9 VETERAN'S RELIEF FUND

The American Legion Post 9 Veterans Relief Fund was formed back in August of 2016. The American Legion Post 9 was involved in a Gospel/Patriotic Concert that was presented at the Central Lutheran Church. This concert was presented in four consecutive days. The concert was the work of about 30-40 very dedicated individuals who practiced once every week for about a year. The concert was a great success and was so much fun just to listen to. The concert was no charge to those attending. At the end of each performance the American Legion Burial Detail asked for donations. We raised \$12900.00 in donations after those four performances. We were amazed at how appreciative the audience was. And the amount of donations we received.

These funds were to be used to help veterans. Thus the formation of the American Legion Post 9 Veterans Relief Fund. All requests for donations are done through the Winona County Veterans Service office. Tom and John, our Winona County Veterans Service Officers, first qualify the person as a Veteran. And Tom and John then ascertain that the request is a valid request.

The fund has provided assistance for electric, water and gas bills, water heaters, heating and cooling equipment, rent, car repairs, property tax, phone bills, lodging, medical bills, mobility products, food cards, and even assistance with funerals.

Once the requests are approved by the County Veterans Service Officers, the checks are written and sent directly to the vendor. This fund is the most direct help to Veterans in the County.

AMERICAN LEGION POST 9 VETERAN'S RELIEF FUND

PAGE 2

This fund has gone a long way in providing assistance to Winona County Veterans in their time of need. These funds are available to all Winona County Veterans and Veterans do not have to be a member of the American Legion to receive assistance. Over the years we have provided about \$37000.00 in assistance to 180 plus veterans.

We are always asking for assistance in keeping this fund going. Donations to the fund can be made by writing your check to the American Legion Post 9 Veterans Relief Fund. I would like to add that the fund has no administration costs. 100% of funds donated go to help Winona County Veterans.

Your donation will be greatly appreciated by American Legion Post 9, and the Veterans we serve.

Thank you for your consideration of our Veterans Relief Fund.

Respectfully presented.
